Public Letter of Reprimand

On February 23, 2017, the Illinois Department of Financial and Professional Regulation issued a Consent Order whereby you were reprimanded and your license was placed in inactive status 30 days from the effective date of the Consent Order. The Illinois Department of Financial and Professional Regulation found that you settled a civil lawsuit based on inappropriate controlled substance prescribing to a patient in another state.

These actions constitute a violation of California Business and Professions Code sections 141(a), 2234 and 2305.

Pursuant to the authority of the California Business and Professions Code section 2233, you are hereby issued this Public Letter of Reprimand by the Medical Board of California.
